Briarwood Soccer Club is a volunteer organization. The giving of your time and talents is vital to helping our club achieve our mission. Please indicate how you can help:

Coach Asst. Coach Team Manager Angel Parent

What is an Angel Parent? As part of Briarwood Soccer Club’s ongoing effort to provide a safe, fun, Christ-centered opportunity and environment in which to play soccer, we have identified a way to further protect your children and our coaches. Our desire is to never have a situation in which a lone adult and child would be alone together. The most likely time this may happen would be at the end of a practice. To minimize this risk, we are asking every team to identify 2 or 3 “Angel Parent” who will be present at least 15 minutes prior to the end of practice and stay with the coach until the last child is picked up. This would include even those teams which have both a head coach and an assistant coach. Just as each of our coaches undergo a state background check and a very short online Department of Human Resources (DHR) training, this team representative would do so as well. If you would like to help with this crucial role, contact me at rleib@briarwood.org or call 205.776.5114,
