

Dear Briarwood Soccer Player and Parent,

Thank you for your interest in BSC, we look forward to having you at tryouts next week. I hope everyone is excited to get back on the field. Please be patient as we work through the guidelines so we can safely compete and evaluate on the field, all players coaches and parents MUST adhere to the guidelines set forth by our leadership.

**Here is important information regarding those guidelines and instructions for participating in tryouts at BSC:**

- \* Stay home if you are sick or showing signs of illness
- \* All players must be symptom free for 14 days before attending tryouts
- \* Please arrive 20-30 minutes before session starts
- \* Screening will be done for each player at check in table before entering field
- \* Players must answer these 5 questions at check in table:
  - 1) Have you been in close contact with a confirmed case of COVID 19?
  - 2) Are you experiencing a cough, shortness of breath, or sore throat?
  - 3) Have you had a fever in the last 48 hours (100.0 degrees Fahrenheit or higher)?
  - 4) Have you experienced new loss of taste or smell?
  - 5) Have you experienced vomiting or diarrhea in the last 24 hours?
- \* Every player will have their temperature checked with no-touch thermometer before each session.
- \* If a player answers yes to any of the 5 questions or has a temperature higher than 100.0 degrees Fahrenheit, they will not be allowed on the field. They should return home and seek medical attention.

**Players MUST have or do the following at each session:**

- \* Enter parking lot and stay in your car until drop-off location is reached. No parents may get out of the car! At the 119 fields, stay to the right of the barrier upon entering parking lot and follow snake-like path to green check in tent. At the high school turf field for girls players born 2007-2002, enter the parking lot by the alumni house and follow parking lot to back of school behind gymnasium, pull up in car at green tent to check in.
- \* Players must bring their own facemask or face covering and wear it from their car to the sideline of the field once they are admitted, they can remove it when it is time to go on the field and play. All coaches will wear a face covering.
- \* If player is driving themselves to session, go through drop off line to check in and then park in lot by green check in tent after you are screened for health.
- \* Players must have their own water bottle, no sharing water bottles. We recommend bringing at least 1/2 gallon, no refills available.
- \* Wear a blue or dark T-shirt, bring a white T-shirt - we will not use shared scrimmage vests so your two shirts will be the scrimmage vests
- \* Bring your own soccer ball.
- \* Must wear shin guards.
- \* Wash and sanitize hands regularly - use hand sanitizer at check in table when you enter field and when you exit.
- \* Remain 6 feet social distance on sidelines and anywhere off the field.
- \* Place personal bag and water bottle in prescribed location marked at 6 foot intervals on sideline.
- \* No restroom use, we have portable restroom for emergency use only.
- \* No high fives, no handshakes, no team huddle.
- \* Upon end of session follow coaches' direction and wait for ride on prescribed location marked out at 6 foot intervals.
- \* Players must leave field immediately after session is over, no congregating of groups at field.

**Parents make sure:**

- \* Your player is pre-registered on our "Tryouts" page of our website so we have all your contact info
- \* No parents or spectators at the field - parents must stay in their car at all times, you can park in High School parking lot after drop off
- \* When you exit parking lot, you must go right on 119 to ease traffic congestion
- \* Return about 10 minutes before session is scheduled to end and start forming carpool pick up line the same way you dropped off
- \* Check weather hotline for any last-minute messages due to weather, 205.776.5603

Thank you and we look forward to seeing you on the field,

Ryan Leib and Briarwood Soccer Club Leadership
